

Get Americas — Travel Insurance Requirements

1. About This Notice

This notice explains Get Americas' policy on travel insurance for the group, incentive, MICE, and luxury travel programs we design and operate across the United States, Puerto Rico, Canada, the Bahamas, and the Caribbean, and clarifies what our own professional liability coverage does, and does not, protect against.

2. Travel Insurance Is the Client's and Traveler's Responsibility

Get Americas does not sell, arrange, or include travel insurance in its program pricing. Comprehensive travel insurance is the sole responsibility of the Client and of every traveler taking part in a program, and must be arranged before departure. At minimum, we recommend a policy covering:

- Emergency medical expenses and medical evacuation, particularly important for travel within the United States given the cost of medical care.
- Trip cancellation and interruption.
- Baggage and personal property loss, theft, or delay.
- Any pre-existing medical condition, where applicable.

3. Mandatory for Certain Programs

For programs that include non-refundable, reserved-capacity components, such as major sporting or entertainment event tickets, helicopter or boat tours, or other bookings covered by the ticketing and reserved-capacity exclusion in our Terms & Conditions, Get Americas requires written confirmation that every traveler holds valid travel insurance before releasing the corresponding booking.

4. Get Americas' Own Insurance Coverage

Separately from the travel insurance each traveler must arrange, Get Americas carries its own professional liability (errors and omissions) insurance, placed through AON with Arch Insurance, policy number TAP0197329-04. Coverage details and a certificate of insurance are available upon request, including for RFPs and formal bids.

This professional liability coverage protects against claims arising from an error, omission, or act of negligence by Get Americas in the planning or operation of a program. It does not cover a traveler's medical expenses, trip cancellation, lost baggage, or any other personal loss, which remain covered only by the travel insurance the Client and each traveler are required to arrange under Section 2.

5. Limitation of Liability

To the fullest extent permitted by law, and consistent with the Travel Insurance and Limitation of Liability clause of our Terms & Conditions, Get Americas' liability for any claim relating to a booked program is limited to the professional liability coverage described in Section 4 above. Get Americas is not liable for any loss that a properly arranged travel insurance policy would have covered.

6. Proof of Insurance

Get Americas may request written confirmation, or a copy of the policy, from the Client or from individual travelers before or during a program, particularly for the mandatory cases described in Section 3.

7. Changes to This Notice

We may update this notice from time to time to reflect changes in our practices, our insurance arrangements, or the law. The effective date at the top of this page shows when it was last revised.
